Dear Mr. Gardner:

The U.S. Environmental Protection Agency ("EPA") is seeking information related to the release, or threat of release, of hazardous substances, pollutants or contaminants into the environment from the Clearview Landfill, Operable Unit 1 ("OU1") of the Lower Darby Creek Site ("Site"), located along Darby Creek in Darby, Pennsylvania. EPA is investigating the source of contamination at and from the Clearview Landfill. The specific information required is attached to this letter as Enclosure E. Please respond in writing to this required submission of information within **fourteen (14) calendar days** of your receipt of this letter.

If, for any reason, SCT does not provide all information responsive to this letter, then in its answer to EPA SCT should: (1) describe specifically what was not provided, and (2) provide to EPA an appropriate reason why the information was not provided.

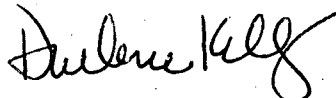

All documents and information should be sent to:
